## Old Belle Glade Rd. To Get Resurface Job In New Budget

Money is in the State Road Department budget for the upcoming year to resurface the old Belle Glade Road (SR15) from the bridge in Belle Glade to the intersection of SR700 in Canal Point. This information was given this newspaper this week by the SRD office in Fort Lauderdale in the following letter:

Mr. Paul Rardin, Publisher  
The Everglades News  
Canal Point, Florida  
Dear Mr. Rardin:

This is to acknowledge your letter of July 13, 1965, concerning State Road 15 between Belle Glade and Canal Point. I wish to advise that an item has been included in the 1965-66 Primary Road Budget to resurface State Road 15 between Belle Glade and the intersection of State Road 700 in Canal Point. We have not at this time prepared a schedule as to when construction might take place on this budgeted item. Please be assured that all efforts will be made to expedite this improvement project.

Yours very truly,  
Clarence E. Davies,  
District Engineer.

## Rev. Clements Goes To Sebring Baptist

Rev. Joe Clements of Fort Lauderdale will be the new pastor of the Sebring Baptist church beginning Sunday, August 22. He has been serving the Southwest Baptist church in Fort Lauderdale.

A few years ago Mr. Clements was pastor of the Canal Point Baptist church and left here to go to Fort Lauderdale. He was active in association work and served as moderator of the Gulf Stream Association.

Mr. Clements is originally from Savannah, Ga., and is a graduate of Mercer University and Southwestern Seminary. His wife, Ann, is the daughter of the Rev. Waldo Wood of Arcadia. They have three daughters.

## Fill Being Hauled New Dodge Place

Trucks are busy this week hauling fill into the new location of Wallace Barnes Dodge on Pahokee-Canal Point road just across from Rinker (Shirley) Materials. A bull dozer is leveling the material and making it ready for construction of the new building.

Wallace Barnes, who is to open a new place, and handle Dodge Cars and trucks, said that he hopes to get the construction of the L-shaped building started just as soon as all the fill is in.

Mr. Barnes pointed out that the new building will be modern throughout and contain a space for a large service department and another space on the front for display of new cars.

## Port Mayaca Service For Juanita Chitwood

Mrs. Juanita Marie Chitwood, 52 of Pahokee died July 15 at Everglades Memorial Hospital. She had been a resident in Pahokee for only a short period of time. The only known relatives are in West Virginia. Services were held Tuesday 10:30 a. m. at Port Mayaca Cemetery with Rev. Lawrence Stewart officiating. Wetherington Funeral Home in charge of arrangements.

## Funeral Services Mrs. Nola B. Smith

Funeral services were held Monday morning at the First Methodist church in Pahokee for Mrs. Nola Beatrice Smith, 73, of 1466 East Main Street in Pahokee, who died Saturday following a long illness.

Rev. John Briley, pastor of the church, was in charge of the funeral services and burial was in Port Mayaca cemetery under the direction of Wetherington Funeral Home. Pallbearers were: Owen Todd, Roland Todd, Tiny Todd, Charles Baker, George Gant and Billy Ray Mosley.

The deceased had been a resident of Pahokee since 1918 coming here from Plant City. She was a native of South Carolina, a member of The Pahokee First Methodist Church, and the Garden Club. She is survived by her daughter, Mrs. Leo Maxwell, Pahokee; Mother, Mrs. Fannie Todd, Canal Point; Three Brothers; C. M. Todd, Pahokee; R. P. Todd, Byron Todd, both of Delray Beach; Five sisters; Mrs. Sally Ann Todd, Mrs. Julia Mizell, Mrs. Maggie Tombaugh, Mrs. Ellen Baker all of Pahokee and Mrs. Kansas Todd of Canal Point; one grandson, Mead Maxwell of Pahokee.

## Mrs. Kinard Leaves Pahokee Church

After 18 years, Mrs. John H. Kinard is resigning as pastor of the Church of God of Prophecy, 2500 East Main Street, Pahokee.

Mrs. Kinard wishes to thank all the friends in 'Pahokee, Canal Point, Belle Glade, South Bay, and Lake Harbor for their cooperation and kindness during her pastoral work in the church. It was by this help that the church prospered as it did. The new church is near completion and is fully paid for. Your kindness and faithfulness was fully appreciated.

The Kinard family will live in Pahokee for awhile.

Rev. Sam M. Allen, his wife, two sons, and daughter of Taverners, Florida, will arrive August 1, when Rev. Allen will reside as pastor of the church in Pahokee.

## Little League All Star Games Start

Announcement was made yesterday that Little League All Star games were to start last night (Thursday) night at the city park in Pahokee.

## Former Teacher Is New Principal Ft. Pierce High School

A former teacher in Pahokee High school has been appointed principal of Dan McCarty High School in Fort Pierce. Lawrence Terry, who left the Pahokee school for Okeechobee a few years ago, is the teacher who has been assigned to St. Lucie County's largest high school.

Terry was director of curriculum in St. Lucie County Schools last year. He went to St. Lucie County from Okeechobee County last year replacing Richard Whitting. At Okeechobee, Terry had been a teacher and an elementary and high school principal. At Dan McCarty he replaces Raymond Gough who has moved to Palm Beach County.

The 42-year-old educator is married and he and his wife, Frances, who teaches first grade at the Fort Pierce Elementary School, have a daughter who will be a freshman at the Indian River Junior College next year.

## Ramie Road Bridge Width Is Doubled

County work forces are busy this week widening the steel bridge on Ramie Road about three miles south of US98, according to official reports. Work will continue for several days before it is fully completed.

The bridge was built originally by Sam Senter and is steel throughout. When the county built Ramie Road the bridge was purchased from Sam Senter for \$5,000.00, and it became a part of the county road system.

County forces are busy this week laying steel and forms for the pouring of concrete on the extra width which will make the bridge a standard width county bridge. Farmers and growers who use Ramie Road will be happy to know that the bridge is at last being widened to its proper width.

## Vacation School Canal Pt. Baptist

Vacation Bible School will start at the Canal Point Baptist church on August 9 and run through August 20, according to an announcement by church officials.

Present plans call for the sessions to start at 8:30 in the morning and last until 11:30 a. m. Children ages three through 16 will be welcomed to the various departments, the announcement said.

A complete list of workers in the Bible School will be made public within the next few days in order that every worker may know what part he or she is to play in this all-important church event.

Mr. and Mrs. Buddy Parker of Louisville, Ky., are the guests of his parents, Mr. and Mrs. J. F. Parker.

## Local Girls Return From Europe Trip

Miss Betty Echols and Miss Hazel Sheppard returned home July 15 from their trip to Europe. The girls arrived in New York on June 15, spent two days there, then boarded the Queen Elizabeth for the trip across the ocean. The boat landed at Southampton and from there the girls went to London. From London the girls, on the American Express Tour, toured eleven countries in Europe with their last stop in Paris. After touring in Paris, they flew home.

## Herb Chapman Head Ona State Sta.

WAUCHULA — Dr. Herbert L. Chapman, 42, former animal nutritionist at the Everglades Experiment Station, Belle Glade, succeeds Dr. W. G. Kirk, 65, as head of the Range Cattle Experiment Station near Ona.

A native of Kansas City, Chapman received his bachelor and master's degree at the University of Florida, his doctorate from Iowa State University in 1955.

Dr. Kirk headed the experimental farm 24 years and in 1960 was named Florida agriculture's man of the year by Progressive Farmer magazine.

Dr. Kirk is a native of Salvador, Canada, University of Saskatchewan graduate and holder of advanced degrees from Iowa State. He plans to devote full time to research.

The personnel changes became effective July 1, according to Dr. J. R. Beckenbach, Agricultural Experiment Stations director at Gainesville.

## Repairs Begin On 441 Steak House

Babs Upthegrove has a crew of men busy this week making repairs to the 441 Steak House in Pahokee. A new kitchen is being added. Mr. Upthegrove said yesterday. Plans call for having the work done and ready for re-opening of the popular eating place by August 2.

Mr. and Mrs. Upthegrove, operators of the restaurant, plan to erect a completely modern kitchen in order that faster service can be given their many customers. The forms are in place and pouring of concrete for the foundation will take place this week.

A new floor will also be put down while the restaurant is closed for repairs. Already the chairs have been refinished and new drapes placed at the large glass windows.

## Upthegrove Wins Insurance Trip

Mr. and Mrs. Osceola Upthegrove will attend the National Convention of the Southern Health and Life Insurance Company. Mr. Upthegrove won the trip to the convention which will be held at the Diplomat Hotel in Hollywood.

## No Silver In New Dimes & Quarters, Halves Reduced

When the federal mints start grinding out the new dimes and quarters there will be no need for use of silver. They just won't contain any of that precious metal. Silver in half dollars under the new program will be reduced from 90 percent to 40 percent.

The new dimes and quarters will have a red line around the rim of each showing that they have copper cores. The copper cores will be sandwiched between the same alloy that nickels are made of today.

In a special law that passed the United States Congress last week there are provisions to discourage hoarding of present coins, collecting and speculation. Individual mint marks will be left off the new coins and the dates will all be 1964 for a while.

There have been no silver dollars minted for the past 30 years and none will be minted, for five years according to the new law. The mint will turn out 3.5 billion coins in the first year of production and double that amount the following year.

So, my friend, if you have a stack of half dollars, dimes and quarters hoarded away, you might just as well put them in circulation, the federal government isn't going to let you speculate on them.

## Seasonal Rains Halt Road Work

The usual seasonal rains, which come regularly in July and August each year, are with us and the road work which had been scheduled for this summer is suffering a serious delay. In cases where the contractor piddled during the dry weather, in the spring, the work is falling far behind schedule.

Bacom Point Road work in Pahokee has been brought to a state of extreme slow progress on account of the rains. Finish rock is being hauled in from Immokalee but the finish work, which was started last week, cannot continue with the quagmire conditions on the road.

Work on Currie Road, from the hump-backed culvert near the Prison Farm across the muck to the Glades Sugar House, is all but stopped by the wet weather. Most of the fill rock was hauled in between heavy showers of the past few weeks.

Streets in Pahokee are in a grand mess from the work being done on the sewage system. Detours are on every hand and the streets in many places are full of muck which is being dredged out in order to lay the sewer lines.

When the sewer system will be completed and ready for operation is anybody's guess. Some folks think the work will be completed by the middle of October and others are more optimistic and say Labor Day. Only time and the weather will tell.

Mr. and Mrs. M. H. Baxter were guests this weekend of relatives in Miami.

## School Students Will Aid Fund For Baptist College

College and high school students are joining forces to help "The Baptist College fund-raising campaign. The youths, forming a "Committee of Youth for The Baptist College," will produce a television series, beginning next Monday over WEAT-TV featuring local talent.

The television series was announced today by David Bragg, president of the committee and a student at Baylor University, and Bert Lehar, president of WEAT-TV. All proceeds from the sale of commercials will go to the col-

lege campaign, Bragg said.

"We are privileged to assist the college campaign and are donating our facilities. Income from sponsorship will go to the college fund with no funds deducted for operation," Lehar said.

The program will be entitled "Pemos" and will be produced "live" Monday through Friday from 11:30 p. m. to midnight, Saturday from 9:30 to 10 a. m. and Sundays from 5:30 to 6:30 p. m.

"The youngsters will produce, write and handle all arrangements for the shows," Lehar said, "including commercials and publicity." Mary Nemet, Palm Beach entertainer and a member of the committee, will produce the program.

The students formed the College Committee after several sought ways in which to help the campaign. "We know the desperate need for a Christian institution of higher learning in this area, a college that will be open to students of all faiths," Bragg said.

Assisting the Baylor student on the committee are: Jim Findley, Margaret Abraham, Libby McLaren, Frankie and JoAnna Gilbena, all of West Palm Beach and Mary Nemet, of Palm Beach. Many more youths will be working on the television programs, Bragg said.

### ORLANDO VISITORS

Mrs. John Williams and daughters returned home to Orlando Saturday. They were accompanied home by Mrs. J. E. Williams who will spend a week there. Mr. Williams will join her this weekend and they will return home next week.

### ATTEND ELKS MEETING

Mr. and Mrs. Leon Spooner, Mr. and Mrs. Harold Wilkinson, Mr. and Mrs. Bill Darden, Mr. and Mrs. Ed Jensen were among those attending the National Elks Convention in Miami last week.

### JOHNSONS ON VACATION

Mr. and Mrs. W. E. Johnson and daughter Sharon left Saturday for two weeks' visit with relatives in Statesboro, Ga., and with Mr. and Mrs. Gene Bacon in Norfolk, Va.

## City Products In Soft Ball Lead Now

Phil Bonnell pitched a no-hit, no-run game against second-place Rashley's Dry Cleaners as City Products ran away with a Glades Fast-Pitch Softball League game, 10-0. The fireballing righthander struck out nine of the 15 batters he faced in the five-inning contest that was halted by the 10-run rule. The only spoiler was a second-inning walk to Earl Vann or Bonnell would have recorded a perfect game. He was in such control of the Rashley's batting order, he only allowed four balls hit into fair territory! The win was Bonnell's 13th, and the nine strikeouts push his total to 143.

City Products jumped on Rashley's southpaw pitcher, Jerry Snyder, for four runs in the first inning with Bonnell driving in two runs with a key single. He also had a second-inning single that plated two more runs. Jim Tyson drove in two runs with a wrong-field triple, and Butch Butler hit a solo home run in the 4th inning.

Jeff Barwick and George Mills had a pair of hits for the Icemen.

Tony Latour drove in 8 runs with two home runs and two doubles as Glades Chevrolet outscored Loxahatchee, 10-4. Latour sandwiched his homers around his two-base hits, and his second homer followed a solo round-tripper by Eddie Buckner. Fr. Meadows was the winning pitcher and now owns an 8-4 pitching mark.

Rashley's Dry Cleaners pounded Geneva's Drive-Inn, 19-2 in the worst drubbing of the season. Roy Goodson drove in six runs with a double and a single, and team mate, Terry Snyder had two singles and a home run.

Loxahatchee outlasted I. A. M. Local No. 57, 8-5 with Terry Boyer spanning two singles and Charles Deese driving in two runs with a two-bagger.

City Products saw a 4-0 lead over I. A. M. washed away by a downpour erasing a three-run homer by Joe Davis from the record book. Butch Butler started on the mound for the Icemen and struck out 4 of the first 6 men he faced before the rain came in the second inning.

The teams Standings:

City Products Corp.	14	1
Rashley's Dry Clean.	11	6
Glades Chevrolet	8	7
Loxahatchee Prison	7	10
I. A. M. Local 57	2	10
Geneva's Drive-Inn	4	12

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones you own now are better than ever*

**Q:** How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{2}\%$  for the first year and a half; then a guaranteed 4% each year to maturity.

**Q:** When did the new rate become effective?

**A:** June 1, 1959.

**Q:** Does the new rate change the Bonds I bought before June 1, 1959?

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{4}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q:** Will the Bonds I own automatically earn their new rate?

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q:** When my E Bonds mature, will they keep on earning interest?

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q:** With the new interest rate, should I cash in my old Bonds and buy new ones?

**A:** No. The automatic  $\frac{1}{4}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q:** How are series H Bonds different from series E Bonds?

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q:** In what denominations can I buy series E and series H Bonds?

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000, and \$10,000. They are priced at face value.

**Q:** How safe are U.S. Savings Bonds?

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q:** What if my Bonds should be lost, stolen or destroyed?

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q:** Where can I buy Bonds?

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q:** How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

**A:** Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

## How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

## 2,319 Persons In Co. Get Assistance

Paul M. Cassen, Chairman of  
District 10 Welfare Board of the  
State Department of Public Wel-  
fare reported that during June  
1965 2,319 persons received Old  
Age Assistance in the amount of  
\$108,988. 123 persons received  
Aid to the Blind in the amount of  
\$7,290. 1221 families received Aid  
to Dependent Children in the  
amount of \$75,677. 577 persons  
received Aid to the Disabled in  
the amount of \$32,146.

In addition 534 children received  
service during the month, 243 of  
whom were in foster care. The  
total state and local cost for direct  
child care was \$14,424.36.

There were 5 adoption petitions  
studied for the Circuit Court.  
These are children placed in  
homes independent of service  
through a licensed child placing  
agency, and the Welfare Board is  
responsible according to law to  
make these reports to the court.

Palm Beach County is represented

## Patrol Will Make Extra Effort To Halt Death Toll

TALLAHASSEE — Florida Highway Patrol Director H. N. Kirkman revealed today a new enforcement technique aimed at curbing a dangerously rising highway death toll in Florida.

"Eight hundred and ninety seven people have died in traffic accidents thus far in '65 and every effort must be applied to stop these tragic and unnecessary deaths on Florida's highways," stated Colonel Kirkman.

In hopes of controlling this awesome problem, Kirkman has ordered each of the various troop commanders throughout the state to preselect those roads in their areas where the greater number of wrecks have occurred in the past and assign additional personnel over and above those normally assigned with specific instructions to rigidly enforce the law.

Troopers will pay particular attention in these accident hazardous areas to the motorist who follows too closely; violates stop signs or signals, fails to yield the right of way; drives over the center line; improperly changes lanes; and drives at a rate of speed which is unlawful or unsafe for the conditions.

Colonel Kirkman stated, "Our enforcement efforts this year are better than 7 percent over the same period in 1964 and 13 percent

better than our 1963 efforts, yet Florida traffic fatalities for the first 6½ months of '65 have increased to 61 highway deaths over the same period last year."

Kirkman commented further that this program was not a campaign but rather a program aimed at supplementing our present enforcement techniques and will include the use of all available equipment such as aircraft, unmarked patrol cars and speed radar units.

Commander Kirkman concluded by saying, "It is our hope that all drivers will recognize their responsibility in Florida's traffic safety problems and will join with us by conducting themselves properly and lawfully upon our highways at all times."

### SIGNS ARE CHANGED

The remaining identification marks of the Shirley Brothers, Inc., concrete concern were erased this week when new Rinker Materials signs were put in place on the building in Pahokee. Signs were changed on the trucks several weeks ago. Rinker purchased the Shirley company several months ago.

### TWO FAMILY REUNIONS

Mr. and Mrs. Lloyd Hundley and Wayne have returned home from a three week vacation in Kansas. While there the Hundleys had a family reunion on June 27 and the Friends had a reunion on July 5. The Hundley reunion was held in Kingman, Kansas and the Friends reunion was held in Wichita, Kansas.

## Shower In Honor Wilma Jean Waldron

The Community Room of the Everglades Federal Savings and Loan Building was the scene of a calling shower for Miss Wilma Jean Waldron, Wednesday, July 21. Miss Waldron and her mother, Mrs. Grace Waldron, wore orchid corsages, presented them by the hostesses who were Mrs. Herman Kautz, Mrs. Joe Hatton, Jr., Mrs. David Unwin, Mrs. Harry M. McIntosh, Mrs. Frank Gillis and Mrs. Raymond Taylor.

A color scheme of blue and white was carried out on the refreshment table which was laid with white lace cloth over blue. The hostesses gift to the honoree was an electric fry pan.
